RICCARDO ENNIO*

vi·su·al sto·ry·tell·er   (noun)

()   : a person who conveys stories through moving and/or still images

ABOUT ME

As an Italian visual storyteller making the leap from economics to animation, my academic and professional journey has run parallel to a persistent passion for illustration and animation. This enduring interest has consistently fueled my fascination with visual storytelling.
Moving to London for my studies was a significant step toward achieving my dream career, where creativity seamlessly intertwines with a deep passion for storytelling, while acknowledging the invaluable skills acquired from my prior experiences.
I am determined to persist on this journey, advancing my studies to delve deeper into the intricacies of animation. This involves not just academic pursuits but also active cooperation and collective works.
